

This document provides you with the terms under which we will provide our services to you. Please read this document carefully and if you do not understand any point please ask for further explanation. Please read this in conjunction with our Client Agreement – Our Services and Charges (Fees).

Who Regulates Us

We are authorised and regulated by the Financial Conduct Authority. Our regulated activities comprise advising on and arranging pensions, savings and investment products, non-investment insurance contracts and mortgages. Our Financial Services registered number is 158927.

The FCA's contact details are: 25 The North Colonnade, Canary Wharf, London, E14 5HS, United Kingdom. Tel: 0800 1116768 (Freephone)

Client Categorisation

We will treat you as a Retail Client unless we agree with you otherwise. Retail clients have the highest level of protection under the regulatory regime. We will communicate to you in English, both verbally and in writing.

Client Confidentiality

We will hold all information about you in line with the requirements of the Data Protection Act 1998. In giving us personal information, you agree to us providing this information to third parties such as product providers and credit reference agencies. This is to allow us to meet the record-keeping and regulatory requirements of the Financial Conduct Authority. The aim is to protect you under the Financial Services and Markets Act 2000. You and your agents are able to see all information we hold relating to you at any time.

Conflicts of Interest

We will notify you in writing of any conflict of interest that may exist between the work we are doing for you and any of our other clients or ourselves. We will tell you about the extent of any conflict of interest that exists or that may arise and if necessary make arrangements for another company to act as your agent.

Appointment as Advisers

Your agreement to appoint us as your advisers will apply from the date that you receive this document and ask us to act for you.

Cessation as Advisers

This agreement will stay in force until you or we end it or until you or we ask to change it. If you want to end the agreement, please let us know in writing at any time. If we want to end the agreement, we will write and tell you. Termination will not prejudice the completion of transactions already initiated on your behalf or any rights or obligations already arising.

Your Aims and our obligations

We can offer you a full review service with the aim of making you aware of any shortfall that you may have within the areas of our authorisation. We will give you written details of any recommendations that are suitable or appropriate to meet any needs identified, along with details of any special risks that may be associated with the products or investment strategies we have recommended. This is contained within our Suitability Report. You should let us know about any specific aims that you may have.

Please note that any products we have arranged for you will only be kept under review as part of an agreed ongoing service for which you agree to pay. Any ongoing service will be agreed with you in writing in our fee and services agreement. We may contact you in the future by means of an unsolicited promotion (by telephone, email or post) should we wish to discuss the relative merits of a particular product or service which we feel may be of interest to you.

Investments can fall as well as rise and you may not get back the full amount invested. The price of investments we may recommend will depend on fluctuations in the financial markets, or other economic factors, which are outside our control. Past performance is not necessarily a guide to future performance.

Specific warnings relevant to the investments, investment strategies or other products we arrange are provided in the relevant product literature provided.

We may, where appropriate, recommend holding some, or all, of your investments with a discretionary fund manager (DFM), a professional investment manager appointed to monitor your portfolio and make investment decisions on your behalf. In such cases we will explain the respective responsibilities of ourselves and the DFM in relation to your investments.

In some circumstances we may need to act as your 'agent' in relation to the part of your portfolio you hold with a DFM. This means that you won't have a direct contractual relationship with the DFM and the DFM will instead treat our firm as its client. Before setting up this type of arrangement we will explain the implications to you.

We may occasionally recommend investments that are not readily realisable, for example a Property Fund. We will only do this where appropriate but, if we do, we will draw your attention to the risks associated with the investments in our Suitability Report. This is a restricted market for such investments and in some circumstances it may not be possible to deal in the investment or obtain reliable information about its value. Examples of this are derivatives, warrants, non-readily realisable security, P2P agreements or stock lending.

Ongoing Reviews – Periodic Assessments

Where we agree to provide you with an ongoing service to include reviews of the suitability of the investments we have recommended, we will carry out this review at least annually. To do this we will need to contact you to assess whether the information we hold about you remains accurate and up-to-date. We will issue you with a report setting out the results of our assessment and, if relevant, any updated recommendations.

Restrictions

You have the right to tell us not to make any particular recommendations or to exclude specific companies, products or market areas from our research where, for example, you have had a previous bad experience. You need to let us know about any specific restrictions that you want to place on us.

Best Execution

Where we send investment applications on your behalf to third parties (e.g. to put an investment into force), we'll take all sufficient steps to ensure that we obtain the best possible result for you. This is referred to as 'best execution'.

Financial Crime

We are obliged to put in place controls to prevent our business from being used for money laundering and other forms of financial crime. We will verify the identity of our clients to obtain information as to the purpose and nature of the business which we conduct on their behalf and to ensure that the information we hold is up-to-date. For this purpose, we may use electronic identity verification systems and we may conduct these checks from time to time throughout our relationship, not just at the beginning. This check may leave a 'footprint' on your credit file but it will not affect your credit rating.

Client Money

We are not permitted to handle client money and we cannot accept a cheque made out to us (unless it is in respect of an item for which we have sent you an invoice) or handle cash. We may accept a cash payment or cheque in respect of an annually renewable insurance contract on behalf of insurers and this payment will be held in a specifically designated trust bank account pending payment to the insurer.

Benefits we may receive

Under the rules of our regulator, the FCA, as a firm providing independent advice we are unable to accept or retain payments or benefits from other firms (e.g. product providers) as this would conflict with our independent status.

From time to time we may attend training events funded and/or delivered by product providers, fund managers and investment platforms. These events are designed to enhance our knowledge and enhance the quality of service we provide to our clients. As such this does not affect our obligation to act in your best interests. Please ask us if you require further details.

Right to Cancel

We will tell you about your right to cancel or withdraw from a contract with a product provider before you fill in any application form. We will remind you of these rights to cancel or withdraw in writing before any transaction is completed. We will also let you know if this right to cancel does not exist for an application if, by law, the company has to complete the transaction as soon as they receive the application.

What do I do if I have a Complaint?

If you want to register a complaint, please write to us at the address given at the head of this document or telephone us on 01689 607007. A summary of our procedures for handling complaints is available on request.

If we are unable to settle your complaint to your satisfaction, you may be entitled to refer it to the Financial Ombudsman Service at: **Exchange Tower, London E14 9SR – Telephone: 0800 023 4567 or 0300 123 9123 (mobile). Website: www.financial-ombudsman.org.uk.**

The Financial Services Compensation Scheme (FSCS)

We are covered by the FSCS. You may be entitled to compensation from this scheme if this firm ceases to trade and as a result of our advice you have suffered a financial loss. This depends on the type of business and circumstances of the claim.

For Investments

Most types of business are covered up to a maximum limit of £50,000.

For Insurance

Insurance advising and arranging is covered for 90% of the claim, without any upper limit.

Mortgage and Equity Release advising and arranging is covered up to a maximum limit of £50,000.

Further information about compensation scheme arrangements is available from the FSCS.

General Data Protection Regulation

General Data Protection Regulation (GDPR) came into effect 25th May 2018. Please refer to our Privacy Notice which has been issued to you separately which details what data we collect and store and how we process it.

Legal and accounting advice

We are not qualified to provide legal or accounting advice or to prepare any legal or accounting documents. This means that the onus is on you to refer any point of law or accountancy that may arise during the course of discussions with us to a solicitor or accountant.

Payment for our services

By signing this agreement, you are agreeing to pay the charges for our services as set out in our Client Authority Form. All fees will be confirmed in writing and we will tell you if you have VAT to pay.

Investments

Settling your adviser charge in a single payment.

You will be required to settle the payment of your adviser charge on completion of our work within 7 days. This may be paid by cheque but we do not accept payment by cash. Alternatively, if you buy a financial product the adviser charge may be paid through your recommended product. If you choose to have your adviser charge deducted from the product, you do not pay anything up front but that does not mean that our service is free. You still pay us indirectly through the deduction from the amount you pay into your product. This deduction will pay towards settling the adviser charge and could reduce the amount left for investment.

Settling your adviser charge by instalments (regular premium contracts only)

If you buy a financial product to which you will be making regular payments, you can choose to have your adviser charge deducted from the product through instalments. Although you pay nothing up front, that does not mean that our service is free. You still pay us indirectly through deductions from the amount you pay into your product. These deductions will pay towards the settling the adviser charge and could reduce the amount left for investment.

If you fail to keep up with your payments to the product you have bought or cancel the product before the adviser charge is paid in full, we reserve the right to request full payment of any outstanding balance of the adviser charge.

Insurance

We will normally be remunerated by commission from the product provider. Alternatively, you may pay us a fee based on the number of hours worked, in which case we will rebate any commission received from the insurance company or offset these against our fees. You will receive a quotation which will tell you about fees relating to any particular insurance policy.

In some limited circumstances (for protection planning business only) we may receive a commission payment from the product provider. Typically, the commission payment will be offset against the charges you owe us for our services.

If the commission payments relate to a regular contribution policy and you stop paying premiums on that policy, we may be obliged to refund the commission received back to the policy provider. In such cases, we reserve the right to request from you the full payment of any outstanding balance of charges for our services.

Mortgages and Equity Release

We will normally be remunerated by a procuration fee from the mortgage lender or equity release provider. Alternatively, you may pay us a fee based on the number of hours worked. We will always present you with a personalised illustration before undertaking any work that might be charged for. We may receive a fee from the mortgage lender in addition to the fee charged to you which will be disclosed on the personal illustration you will receive relating to your chosen mortgage. We will refund to you any fee paid to us by the lender, or offset it with the what we receive.

You will receive a key facts illustration when considering a particular mortgage or equity release product, which will tell you about any fees relating to it. You have the right to ask for information on the fee paid by different lenders.

If we charge you a separate fee and your mortgage or equity release does not go ahead, you will receive no refund.

Any products we have arranged for you will only be kept under review as part of an ongoing service for which you have agreed to pay. Our ongoing service is optional but if you agree to purchase an ongoing service, unless otherwise agreed, this will be provided as a follow-up to the initial service.

Our charges for ongoing servicing will start one month after the initial charge. Our charges are payable within 30 days of the end of the relevant period.

Ongoing services can be cancelled at any time by informing us in writing but please note that we do reserve the right to charge you for services we have provided before cancellation.

Where our charges are based on a percentage of your investments, the amount of our ongoing charges may increase as the size of your fund grows.

In some circumstances we may receive ongoing payments (fee) from product providers relating to existing investments you hold. Such payments may be taken into account when determining the charges for ongoing services. We will discuss and agree this with you where relevant.

This is an important document and should be read carefully, so you are clear about the main services and standard charging structures we offer.

Our Services

We provide a number of services. To ensure you choose the right service we must first establish a clear understanding of your financial needs. We will gather information about you to help define your needs and priorities.

- **Wealth Management Service:** This is our comprehensive service incorporating a full financial and retirement planning review. As a business we believe that our role is to help you create, maintain and review a plan to help you achieve your short, medium and long-term objectives. To do this we listen to your needs and construct a suitable financial plan, making use of the most appropriate financial products and tax wrappers, in the most tax-efficient way possible according to your individual circumstances. Within the Wealth Management process, we constantly review the investment procedure in order to ensure that our clients receive portfolios that are 'fit for purpose' and represent value for money. We have chosen to receive the information that allows us to design the portfolios on an 'advisory' basis, which means the costs are borne by Chantler Kent Investments within our normal annual management fee. The actively risk managed portfolios are provided by Financial Express Research
- **Annual Review Service:** This service is designed to provide annual reviews to ensure the recommended products remain relevant to your circumstances. You will receive an annual consolidated portfolio valuation and an invitation for a telephone or personal meeting with your adviser to discuss your financial planning
- **Financial Planning Service:** It is important to identify what you wish to achieve and how you can do this. We can help you to identify your goals and create a plan for your finances to help you achieve them. This service is suitable for those who do not see the need for an ongoing service or are simply looking to fulfil a one-off requirement. We can accommodate this on an ad-hoc basis, with no on-going service agreement. This type of arrangement tends to work better for a transaction based relationship as opposed to long term financial planning
- **Retirement Planning Service:** It is important to know whether the money you are saving towards retirement will provide you with sufficient funds to meet your retirement objectives. We can work with you to proactively plan for your retirement and help you decide on the options available at retirement. Pensions underwent a radical change from 6 April 2006, with the introduction of Pensions Simplification and the March 2014 Budget announced a further suite of changes which have revolutionised the retirement market, we will guide you through the technical and tax implications to enable you to reach the best possible outcome
- **Protection Planning Service:** Most of us want to protect the things that are important to us, our family, business and quality of life. Protection planning can help to provide peace of mind in the event of your income changing due to unexpected events. We can help you plan for the best way to protect you, your family or your business

We will only commence work once we have agreed our services and charges with you. You will receive a copy of our Terms and Conditions which set out the services we have agreed to provide and confirm how much this will cost.

Our Advice

We offer **independent** investment advice. This means that we consider a wide range of financial strategies and products. We are constantly reviewing the market to ensure that the services and products we offer are appropriate for our clients.

Where we recommend particular investment strategies and products to you, these will be selected based on your personal circumstances, financial goals and objectives. We will consider a number of factors, including the services you need, the cost of investing, how much risk you are prepared to accept in an investment product and how significant a drop in its value you could withstand.

The areas we can advise on include:

- Life assurance
- Investment bonds
- Pensions
- Annuities
- Phased retirement & income drawdown
- Long term care
- Term assurance
- Unit trusts
- Open ended investment companies (OEICs)
- ISAs
- Investment trusts
- Critical illness cover
- Income protection

We do not provide advice in relation to individual shareholdings.

We do not provide advice on options, futures and other derivative contracts as we believe these are unlikely to be suitable for our clients.

Insurance

Where we provide protection planning services, we act as an insurance intermediary and will provide advice which is based on a fair and independent analysis of the market.

Home Finance Products

We offer a comprehensive range of mortgages from across the market, but not facilities that you can only obtain by going direct to a lender. We will make a recommendation for you after we have assessed your needs. You have the right to ask for information on the commission paid by different lenders.

Equity Release Products

Equity Release products are either lifetime mortgages or home reversion plans. We offer a comprehensive range of Equity Release products from across the market, but not facilities that you can obtain by going direct to a lender or provider.
